

Home School Agreement

“Nurturing hearts, growing minds, opening eyes, imagining futures.”

Our Vision

We want all our children to succeed by achieving their full potential. As part of this our priority is to maintain a caring ethos in the school as only secure children will thrive. In this environment they are able to learn to respect themselves and other people, and to work independently in collaboration with others. Our school is also a place where children are challenged to go a bit further, to take responsibility, to learn from their mistakes and to foster a love of learning which remains with them into adulthood.

School Information

The school building opens at 8.50am. It is important that children arrive in time for morning registration at 9.00am. Parents who drive to school should take special care when in the school grounds. In the morning cars may stop to drop children by the railings in the top car park, accessing the grounds using the one way system. Please do not park because all spaces are required for staff parking and disabled access. Breakfast club opens at 8.00am and runs until 8.50am with the last breakfast being served at 8.30am. School uniform can be purchased from the school office. At the end of the day (after 3.20pm), cars are allowed to enter through the gate to park on the playground. Drivers must always take great care, observe the speed limit and be especially aware that children may be working outside. The school grounds are a **NO SMOKING ZONE** and **NO DOGS** are allowed.

For further information please contact the office or consult the prospectus or school website.
