"Nurturing Hearts, Growing Minds, Opening Eyes, Imagining Futures"

Friday 17th February 2023

Dear parents/carers,

As you will be aware Hwb is an education platform used by all pupils in Wales. It enables pupils to access a range of online resources and complete and store schoolwork on their own Hwb accounts. These accounts are then shared with the staff in school, meaning staff can monitor, review and mark pupils' work.

We have noticed that a number of parents are using their child's Hwb account to store personal documents, many of which contain personal information which I am sure you would not want to be viewed by staff or other children (who may be working alongside your child). Therefore, can I please remind all parents to not use and store personal information/documents on their child's Hwb account.

Kind Regards,

A handwritten signature in black ink that reads 'Sm Corbett'.
